Subject: Great meeting you both.

Doug & Sarah,

It was really a pleasure to have met you both last week. I welcome exploring how DOI and EPA can partner to significantly improve the U.S. presence in the Associated Free States. John McCarroll will be circling back with Sarah to discuss partnering opportunities. And as we discussed I have already given the direction to restore technical assistance to the AFS's which I will announce at our Pacific Islands Conference in Guam in June. I will have John also provide you information regarding the Region 9 Annual Pacific Islands Conference. It would be great if either or both of you could attend and have you on the agenda. Stay in touch and please feel free to email or call me anytime I can be of assistance to you in anyway.

Best regards,
Michael Stoker
Regional Administrator, Region 9, US-EPA
